Champion Within Youth Program, is designed for all school age children, but is especially beneficial in shaping positive attitudes and leadership qualities to at risk youth. Our program is directed to teach the lessons of dedication, hard work, sense of leadership and the value of perseverance. We want all of our youth visitors to learn that they can overcome any and all obstacles to be successful in life.

The specific community that the Champion Within serves is children who participate in several youth organizations within the greater Nashville/middle Tennessee region. These groups have included children from local Boys and Girls Clubs, Special Olympics, Children Are People Inc., Backfield in Motion and inner city youth. All proceeds from the Golf Classic go directly to fund the Champion Within Program.
