

### Tennessee Sports Hall of Fame

The Tennessee Sports Hall of Fame is a 501(c)(3) non-profit organization that is entirely dependent on support from individuals, corporations, special events and sponsors. True to its name, the Tennessee Sports Hall of Fame celebrates the great sports heritage of Tennessee, honoring the diversity of sports from Memphis to Bristol and all points in between but the Tennessee Sports Hall of Fame's greatest offering is their *Champion Within* Youth Outreach Program. This program is dedicated to teaching leadership, sportsmanship, goal setting, healthy lifestyles and teamwork to inspire the *Champion Within* for all who attend this program.
